DANIEL - PATRICIA

I've given you some of this before, but here is part that has been typed.

I hope that the remainder can be typed soon, also.

- Bill T

28 July 1972

MEMO, X-EXAM QUESTIONS

THIS SUGGESTED STOCK OF X-EXAM QUESTIONS SHOWS BOTH THE INTENDED PURPOSE OF E.O. 10501 AND PRACTICAL PROBLEMS IN ITS IMPLEMENTATION.

* NOTE THE ABSENCE OF ANY DEFINITION OF "NEED-TO-KNOW" FOR USE BY DoD PEOPLE, AS REFLECTED AT END OF ATTACHED QUESTION 97.

IF NECESSARY TO X-EXAM ON THE ISM, QUESTIONS WILL BE AVAILABLE TO PROVE THAT DR. ELLSBERG WAS AN AUTHORIZED PERSON AND HAD AUTHORIZED POSSESSION, AS SHOWN IN MY 5 MARCH 72 MEMO TO PROFESSOR NESSON.
